**E-Power
version**

with 240 V
power strip

NEW

UNIVERSE

Also in red

The figure shows an application example with special equipment

PROJAHN Präzisionswerkzeuge GmbH

PROFESSIONAL PLUS STANDARD

Tool Trolley without equipment

UNIVERSE

NEW

- ▶ Modern and dynamic design due to strong and clear lines
- ▶ Four-level safety concept
 - High work safety avoids overturning: only one drawer at a time may be opened
 - Individual drawer locking prevents unintentional opening
 - Max. stability due to two wheels with 360° full break system
 - Anti-steal protection: central locking system

- ▶ Excellent storage:
 - 7 drawers, 2x 154 mm and 5x 75mm height
- ▶ Outstanding reachability of the tools due to 100% fully extendable drawers
- ▶ Ergonomic and stable handle
- ▶ Easy moving due to supersized premium wheels
- ▶ Durable oil and acid-resistant casters

Max overall capacity up to 650 kg

E-Power version

with 240 V electric power strip

NEW
UNIVERSE

Also in red

45 kg drawer load capacity

incl. drawer labeling

NEW

- 240 Volt connector strip (double) incl. two USB charging ports and 5 m power cable

- Lateral double-sided square-perforation for extensive range of attachment

E-Power version

Material: Steel plates, powder-coated
 Material Thickness: 0.9 - 1.0 mm
 Colours: Blue, Red
 Dimensions: 475 x 775 x 1.020 mm
 Max Overall Capacity: 650 kg
 Roll Dimensions: 127 x 50 mm
 Drawers: 7
 Max Capacity per Drawer: 45 kg
 Height Drawers: 2 x 154 mm / 5 x 75 mm
 Dimensions Drawers inside (WxD): 560 x 395 mm

Tool Trolley Accessories

UNIVERSE

NEW

Tool Trolley Top Case

- ▶ Ideal capacity expansion for all tool trolleys UNIVERSE – more storage for tools and working equipment
- ▶ Anti-steal protection: central locking system
- ▶ Tough: highly stable, ball-bearing drawers, each loadable up to 45 kg
- ▶ Multifunctional expandable with accessories due to square-perforated sheet metal wall

- ▶ Four-level safety concept
 - High working safety due to double tilt protection
 - Individual drawer locking prevents unintentional opening
 - Only one drawer can be opened simultaneously
 - Attachment can be fixed on the trolley with safety hooks
- ▶ Suitable for up to 12 tool inlays

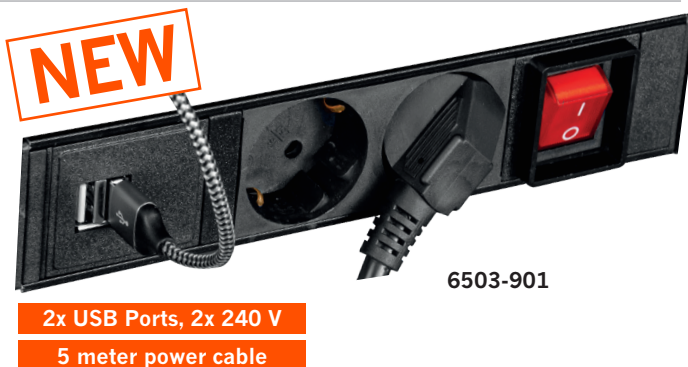

6502-50
6502-10

Material: Steel plates, powder-coated
Material Thickness: 0.9 - 1.0 mm
Colours: Blue, Red
Dimensions: 475 x 840 x 430 mm
Drawers: 4
Max Capacity per Drawer: 45 kg
Height Drawers: 4x 75 mm
Dimensions Drawers inside (WxD): 560 x 395 mm

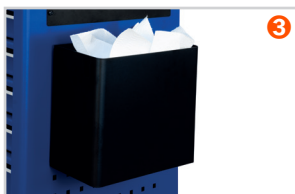

E-Power Power Strip 240V

- ▶ Optional extension for UNIVERSE tool trolley
- ▶ 2x 240 V sockets suitable for electrical machines, chargers, tablets, laptops etc.
- ▶ 2x USB charging ports for smartphones etc.
- ▶ With ON/OFF switch including protection against unintended activation
- ▶ Inclusive 5 m power cable and cable holder

2x USB Ports, 2x 240 V
5 meter power cable

NEW

Other Accessories

- ▶ Stable work top made from ABS (1)
- ▶ Attachments for lateral square perforation (2 - 5)

PROFESSIONAL PLUS STANDARD

Rotary Hammer Drill Bits

ROCKET 5 **ROCKET 3**

- Special shaped drill head with 5 crushers sets new standards in terms of lifetime

Especially for reinforced concrete

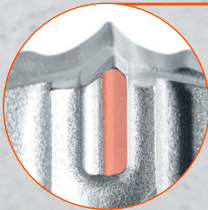

- Demolition effect for highly effective destruction of the material

Maximum drilling speed

Highest Precision

- 5 crushers allow drilling of precise holes
- Low vibration while working

Perfect Suitable for Reinforcements

- Protection against reinforcement prevents jamming
- Wear marks show if the tool is still suitable for drilling dowel-compatible holes

Extremely Durable

- 4-flute geometry increases lifetime
- Evenly spread wear

Range of Application

Reinforced Concrete

Concrete

Masonry

Natural Stone

Characteristics

Durable

Precise

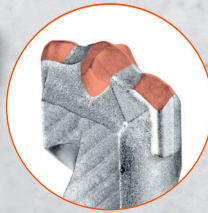

Powerful

Low Vibration

Shank

- Available in SDS-plus and SDS-max

Maximum Speed

- 3 crushers achieve a maximum of drilling speed
- At least 20 % time saving compared to similar products

Simple Handling

- Wear marks show the suitability for drilling dowel-compatible holes
- Pilot drill for accurate drilling without slipping off
- Patent pending for innovative drill tip geometry

Long Tool Life

- Broad spiral back
- Core reinforced flute
- Extra large-volume spiral

Range of Application

1/4" STAR Bits

- PROJAHN **STAR** bits:
- Safe – high level of fracture and work safety
- Torsion – Perfect to use in impact drilling machines
- Resistant – extreme resistance to wear due to combination of S2 steel and zirconium nitride coating
- Anti-slip – the micro-rough surface minimises the cam-out effect
- PROJAHN **STAR** bits are much better than common bits compared to:
 - torque transmission
 - lifetime
 - wear and tear resistance
 - abrasion strength
 - minimizing of cam out effect

Extreme resistance
